Education

University of Southern California, Marshall School of Business <i>Master of Science – Finance, 3.3</i>	Los Angeles, CA 2019 – Current
University of California, Irvine, Paul Merage School of Business <i>Bachelor of Arts – Business Administration, 3.8 (Dean's Honor List 2016 - 2018)</i> Emphases in Accounting and Operations and Decision Technologies.	Irvine, CA 2016 – 2018

Experience

Professional	
Weldex Corporation <i>Sales Representative</i>	Cypress, CA 2018 – 2019

Contacted and collaborated with engineers and buyers of potential customers to address their needs in respect to pricing, logistics, and products.

- Introduced Weldex to leading companies in mining and construction vehicle industry to learn about industry needs, price elasticity, and procurement process;
- Compiled RFIs, RFPs, and bidding proposals that could generate +\$1M in annual sales;
- Determined end consumer pricing for off-road light collection.

Extracurricular	
UC Irvine's Student Managed Investment Fund <i>Intern</i>	Irvine, CA 2017 – 2018

Analyzed ETFs focusing on Scandinavian markets to hedge domestic risks by researching market valuation, economic growth, fiscal and monetary policies, currency trends, and political stability.

- Collaborated with 15 students to create an investment strategy to manage \$60,000, going to scholarships.

Student Consultants for Nonprofit Organizations <i>Team Lead and Associate Consultant</i>	Irvine, CA 2016 – 2017
Managed group of 4 students to construct a report addressing how client could improve its volunteer program by using local resources and focusing on specific demographics to meet operational needs.	
○ Implemented Agile Model to integrate everyone's opinions and respond instantly to changes within client organization at later stages of project cycle.
